

## Training Programs/Curricula Approved for funding By Career Link

The attached list is subject to change and is constantly evaluated to add or delete training programs.

Funding for Certified Nursing Training (CNA) is available only if the CNA is a bridge to a higher level of nursing training.

Funding at the Bachelor's level is only provided for the final two years of the four-year degree.

Funding is available for individuals that meet the eligibility requirements of the Workforce Innovation and Opportunity Act and has been favorably assessed by a Career Link *Career Planner*.

Career Link will not pay out-of-district tuition. Limited exceptions apply.

Certain training programs/occupations that appear on the list may have limited enrollment due to current market conditions.

Interested individuals should discuss training options with a *Career Planner*.

**Training Programs/Curricula  
Approved for funding  
By Career Link**

**Black Hawk College (Moline)**

Accounting Specialist  
Administrative Office Support Certificate  
Agribusiness Management AAS  
Agribusiness Management Crop Protection  
Veterinary Technology AAS  
Agricultural Production Technology AAS  
Agricultural Mechanics Technology  
Automotive Repair Technology AAS  
Basic Nurse Assistance Training  
Computer Numerical Control  
Nursing (RN) Associate Degree  
Physical Therapist Assistant  
Practical Nursing (LPN)  
Production Mig Welding

**Bradley University (Peoria)**

Accounting  
Business Computer Systems  
Business Management and Administration  
Management & Leadership  
Mechanical Engineering  
Nursing (BSN)  
Professional Teaching  
Teacher Education - Secondary

**CICESS**

CICESS Apprenticeship Program

**Capitol Area Career Center (CASPN)**

Practical Nursing

**Carl Sandburg College (Galesburg)**

Dental Hygiene/Hygienist  
Nursing (RN)  
Practical Nursing (LPN)  
Radiologic Technology AAS

**Graham Hospital School of Nursing  
(Canton)**

Nursing (RN-Diploma)

**Heartland Community College (Normal)**

Administrative Office Professional

Automation Tech Cert

Business Technology Cert- ADD **(In conjunction with GED)**

Computer Networking Technology

Design & Fabrication Skills

Digital Media Communications

Electronics Skills Certificate

Emergency Medical Technician (Paramedic)

Facilities Maintenance Skills

Industrial Technology Certificate

Medical Administrative Assistant

Nursing (RN - ADN)

Nursing Assistant (C.N.A.)

Physical Therapist Assistant

Practical Nursing (LPN)

Project Management PMP Certificate

Radiography

Scrummaster Certification Training

Truck Driver Trainer I, II Refresher & Advance

Welding Skills Certificate

**Illinois Central College (East Peoria)**

Automotive Technology

Caterpillar Dealer Services Technology

CISCO Certified Networking Associate

CISCO Networking Specialist

Medical Lab Technician

CNC (Computer Numerical Control Training)

CNC Machine Operator

CPIM – Certified in Production and Inventory Management

CSCP – Certified Supply Chain Professional

CISSP – Certified Information Systems Security Professional

Computer Information Systems – Business

Computer Information Systems – Technical

Computer Programming and Database

Development

Dental Hygiene

Diesel Powered Equipment Technology

Electronics Technology  
 Emergency Medical Services - Paramedic  
 General Motors Automotive Service Program  
 Green Building Environment Degree and Certificate  
 HVAC Technician
