

# OUT OF SCHOOL YOUTH CONTRACT MODIFICATION ONE

## ILLINOIS CENTRAL COLLEGE (DUNS: 041929217)

The contract #OSY-2018-03 budget is modified according to the line items below. The modification to the contract budget reflects the addition of Certified Nursing Assistant and Production Welder occupational training to the contract services for 11 students.

ICC's Adult Education program offers the Health Careers Accelerating Opportunities (AO) program in CNA and the Integrated Education and Training (IET) Manufacturing Opportunities program in Production Welding. Students complete the occupational training programs as they attend a study skills and GED preparation class that is contextualized to their field of study. The goal is to pass the GED examination, receive college credit and a College certificate, and enter employment in that field. There is also an additional goal of continuing in postsecondary training along the chosen pathway and receive additional credentials.

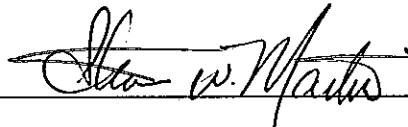

All other provisions of the original contract remain in force except as specifically changed by this modification.
